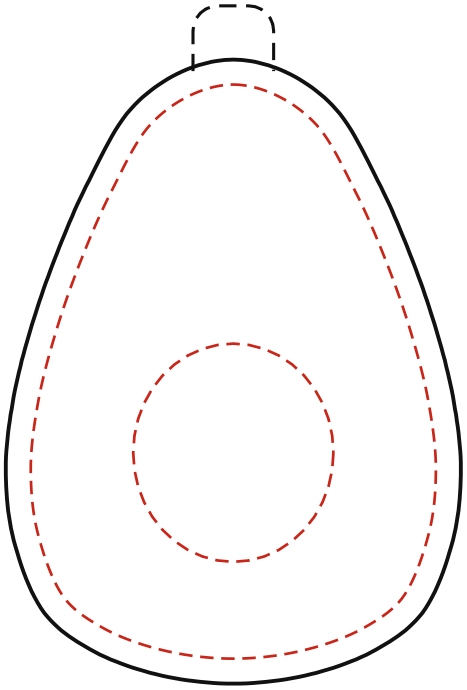
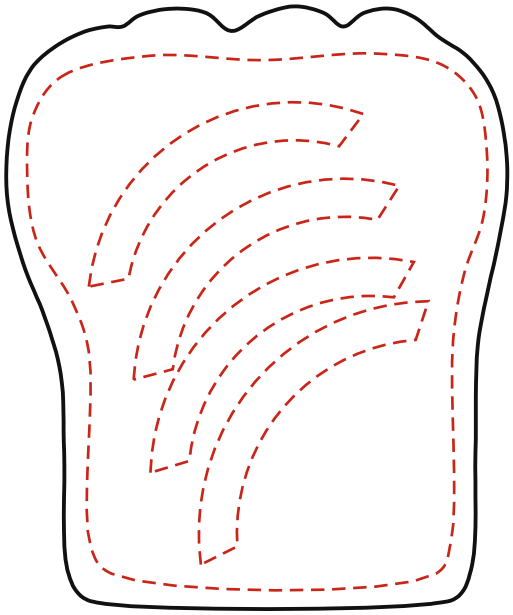
# Avocado Cookie Template: 4 Shapes

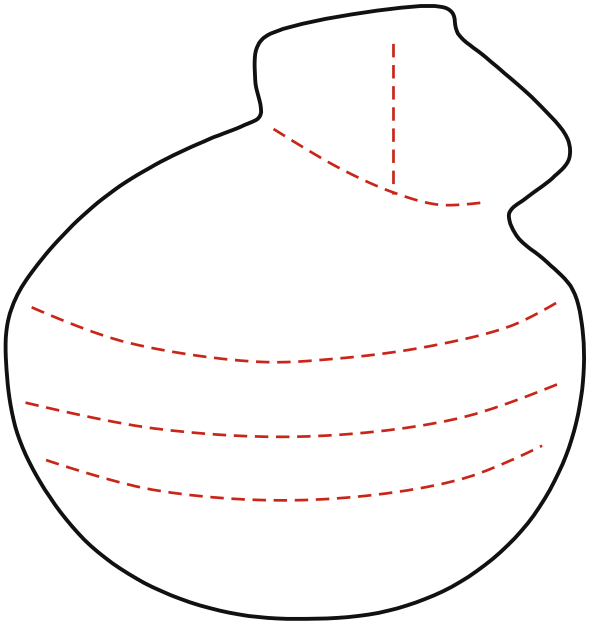
Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.



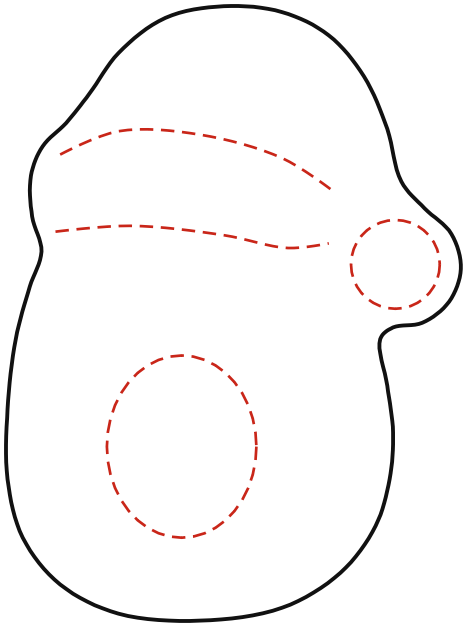
**Avocado, 2 3/8 x 3 1/4 in**



**Toast slice, 2 5/8 x 3 1/8 in**



**Guacamole bowl, 3 x 3 1/4 in**



**Santa hat avocado, 2 3/8 x 3 1/4 in**

### Guide key

- Red dashes: piping guides, never cut
- Black dashes: the stem nub, cut round it only for the whole avocado
- Avocado: the dark skin rim and the oval pit
- Toast: the crust line and 4 avocado slices
- Bowl: the rim, the stripe and two chips; Santa: the brim and pompom

1 inch test bar

Roll the dough 1/4 inch thick. The avocado shape works for the half, the kawaii half, the whole avocado and the pair.
