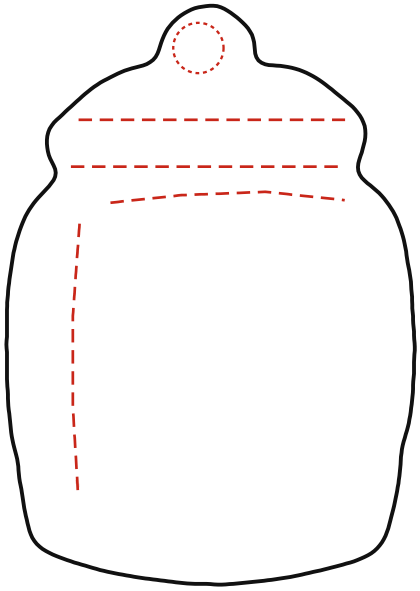
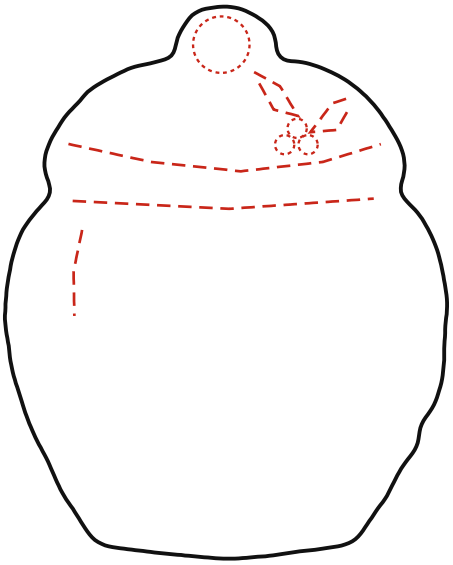
Cookie Jar Cookie Template: 7 Jars

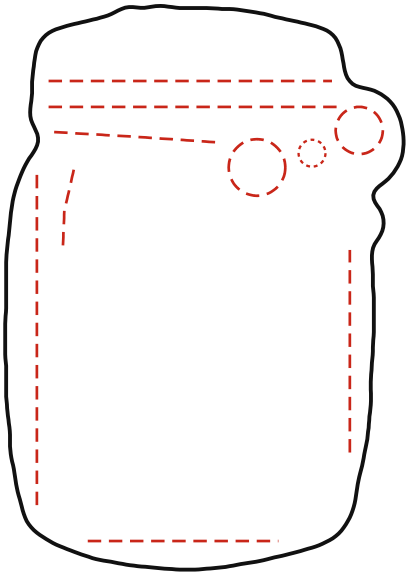
Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.



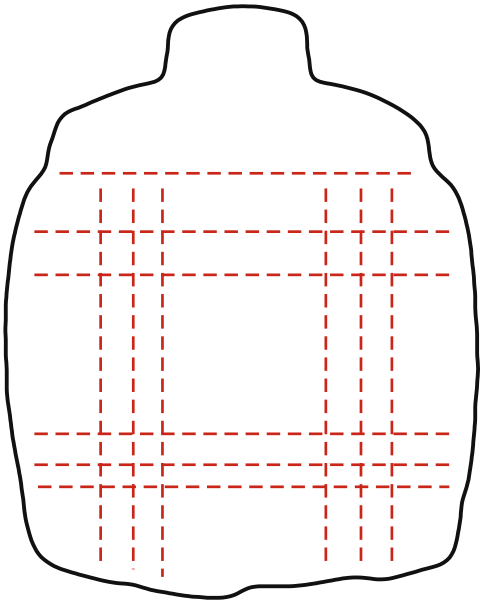
Glass jar



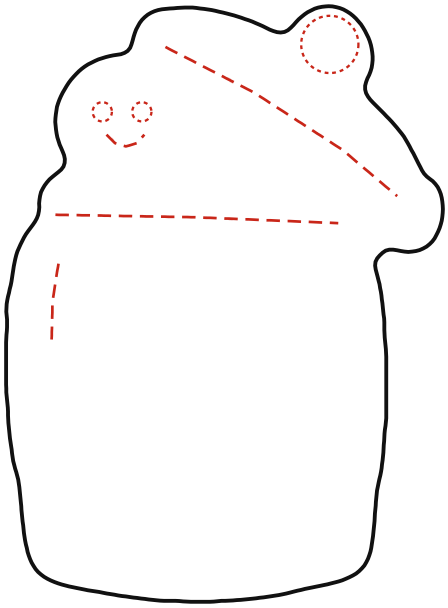
Ceramic jar



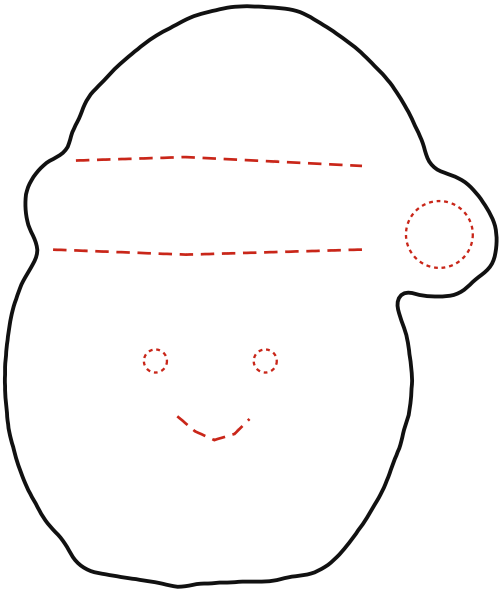
Mason jar



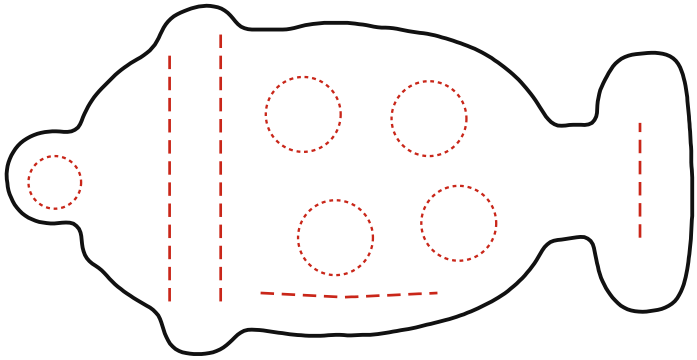
Canister



Tipped-lid jar



Santa hat jar



Apothecary jar (on its side)

Guide key

- Red dashes are icing guides, never cut lines
- Dotted circle: knob, bow knot, berry, eye, mint, pompom
- Glass jar: lid band, shine, fill line
- Ceramic jar: lid lines, two holly leaves
- Mason jar: threads, ribbon, outline, bow loops
- Canister: lid line and plaid
- Peeking jar: rim, lid line, smile; hat jar: trim, smile

1 inch test bar

Roll the dough 1/4 inch thick. Cut the long curves first, then the knobs, the bow, the tipped lid and the pompom.

Every knob, bow loop, lid end and pompom is solid and at least 0.40 inch wide: no holes, nothing to snap. Freeze, then bake.
