Guide key

- Red dashes are icing guides, never cut lines
- Dotted circle: berry, eye, cheek, ladle knob, bow knot
- Cups and glasses: foam, cream, cup and base lines
- Tall glass: two swirl lines; two glasses: splash lobes
- Carton: fin, roof, side seam, label, holly leaves
- Punch bowl: rim, foot, ladle and shine lines
- Grater: five hole rows, bow loops, nutmeg grooves

1 inch test bar

Roll the dough 1/4 inch thick. Cut the long curves first, then the cinnamon sticks, the ladle, the splash and the holly tab. Every stick, handle, knob and splash lobe is solid and at least 0.40 inch wide: no holes, nothing to snap. Freeze, then bake.
