Gingerbread Candy Shop Template: page 1 of 3

12 baked pieces over 3 pages. Check the red bar on every page first.

What is on each page

Page 1 Rooftop sign board, 2 braces, the striped awning, the candy counter with six jar spots and the counter top

Page 2 Front wall (door, two display windows) and back wall (two windows): 6 x 2.9 in each

Page 3 End walls, cut 2: 2.3 x 2.9 in, one window each, and the roof slab 6.7 x 3.5 in

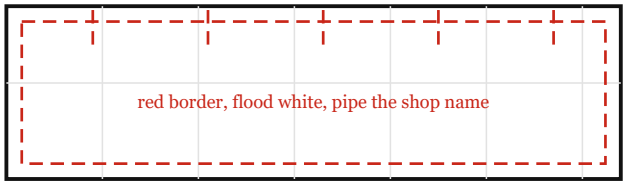
Finished candy shop

About 6 in long, 2 3/4 in deep, about 3 1/8 in tall to the roof and 4 in with the sign.

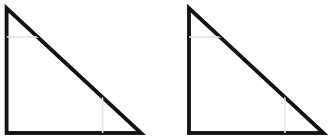
The end walls sit between the front and back walls. The awning leans out from the front wall on two candy canes.

About 88 square inches of dough: one batch, rolled 1/4 inch thick, with some to spare.

Use a board at least 10 x 8 in. Jars: three stacked gumdrops under a mint lid.



Sign board, cut 1. Red ticks on top: five lollipop spots



Brace 1 **Brace 2**

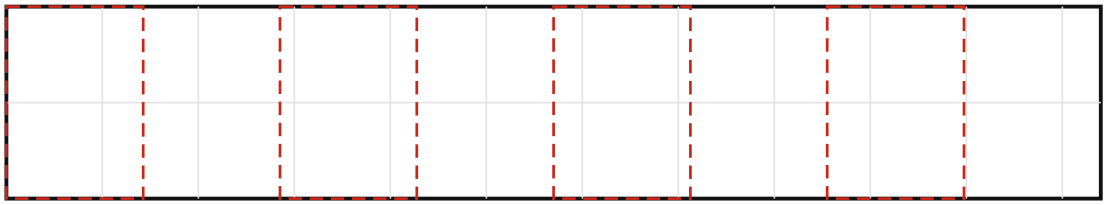
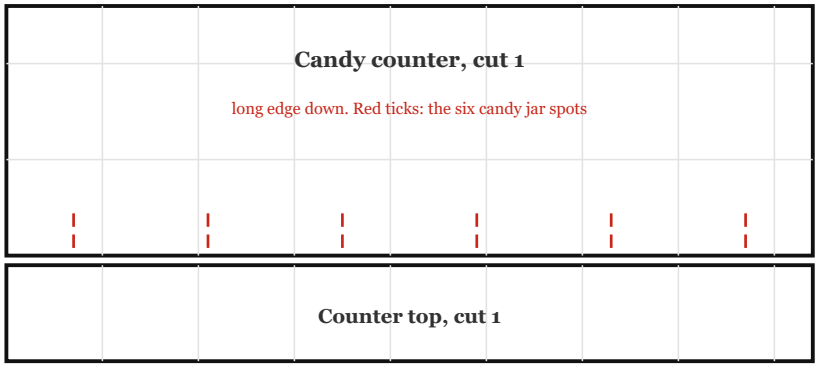
measure it first



Awning, cut 1. Red boxes: pipe or paint every other stripe red. Top edge glues to the wall.



The sign stands about 3/4 inch behind the front edge of the walls, a brace glued behind it 1/4 inch in from each end. The counter stands on its long edge; the top lies flat on it. Each jar is three stacked gumdrops with a mint lid. Stick a lollipop into icing at each red tick along the top of the sign.

Solid line: cut. Dashed black shape: cut out before baking (bake the door piece and glue it back).

Red dashes: guide only, do not cut.
