# Gingerbread Man Template, 4 per Page

Four 4 inch outlines. Big enough for a child to cut with safety scissors, small enough to get a whole class set out of a few sheets.

**Each outline 4 in tall** at Actual Size · Paper: A4 · Print at Actual Size or 100%, not Fit to Page

Solid line: cut here. Cut just outside the line on paper, and on the line when tracing dough.

**1 inch.** Measure this bar. If it is not 1 inch, reprint at Actual Size.
