Gingerbread Coffee Shop Template: page 1 of 3

19 baked pieces over 3 pages. Check the red bar on every page first.

What is on each page

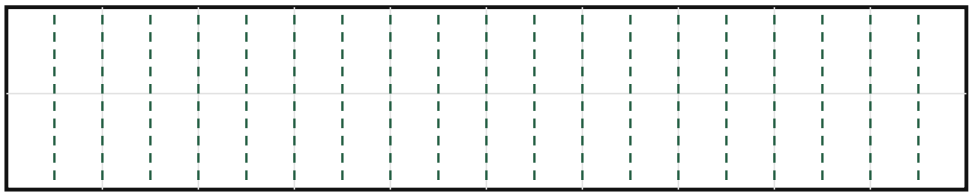
Page 1	Awning slab, 4 awning brackets, pastry shelf and 2 brackets, cup sign and 2 braces, chalkboard (2 panels)
Page 2	Front wall (door, two picture windows) and back wall (two windows): 5 x 2.65 in each
Page 3	End walls, cut 2: 2.3 x 2.65 in, one window each, and the roof slab 5.7 x 3.5 in

Finished cafe

About 5 in long, 2 3/4 in deep, about 2 7/8 in tall to the roof and 3 7/8 in with the cup sign.

About 69 square inches of dough: one batch, rolled 1/4 inch thick, with room to spare.

Use a board at least 10 x 8 in so the chalkboard and a pretzel bench fit in front.



Awning slab, cut 1. Pipe deep green and white stripes 1/4 in apart, running front to back (green dashes).

Awning brackets, cut 4

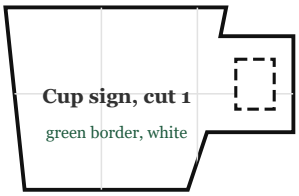
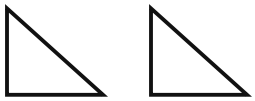
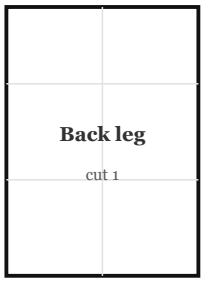
measure it first

Pastry shelf, cut 1





Brace 1 Brace 2



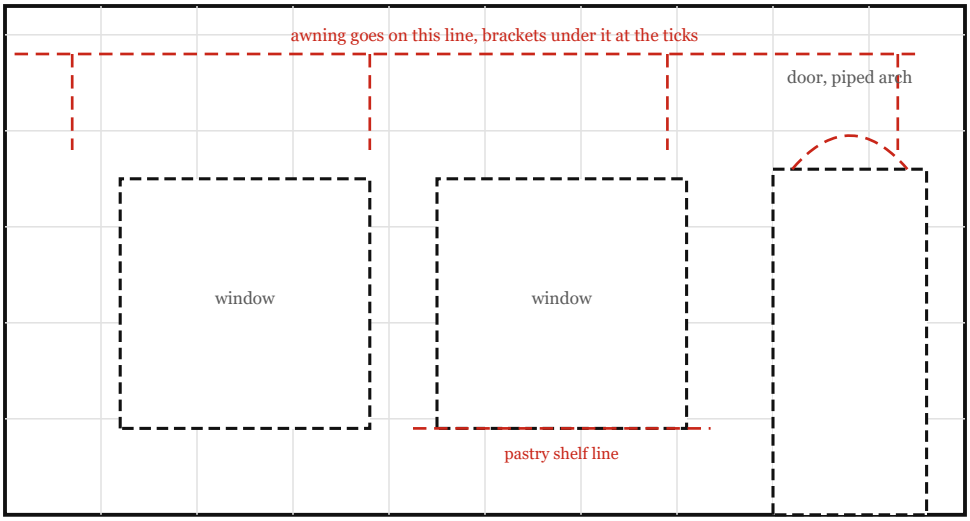
The awning sits on its four brackets with its back edge on the red line. The shelf is glued under the right window with two small brackets. The cup sign stands near the front edge of the roof, right of centre, with a brace glued behind each end. Glue the chalkboard panels along the top edge so they stand as a small A, and pipe a white scalloped border on the front.

Solid line: cut. Dashed black shape: cut out before baking (bake the door piece and glue it back).
Red dashes: guide only, do not cut. Green dashes: stripe guides for the awning.
Print at Actual Size or 100 percent, never Fit to Page. bestgingerbreadhouses.com

Gingerbread Coffee Shop Template: page 2 of 3

Front wall and back wall. Cut the dashed openings out before baking.

Front wall, outside face



Back wall, outside face
