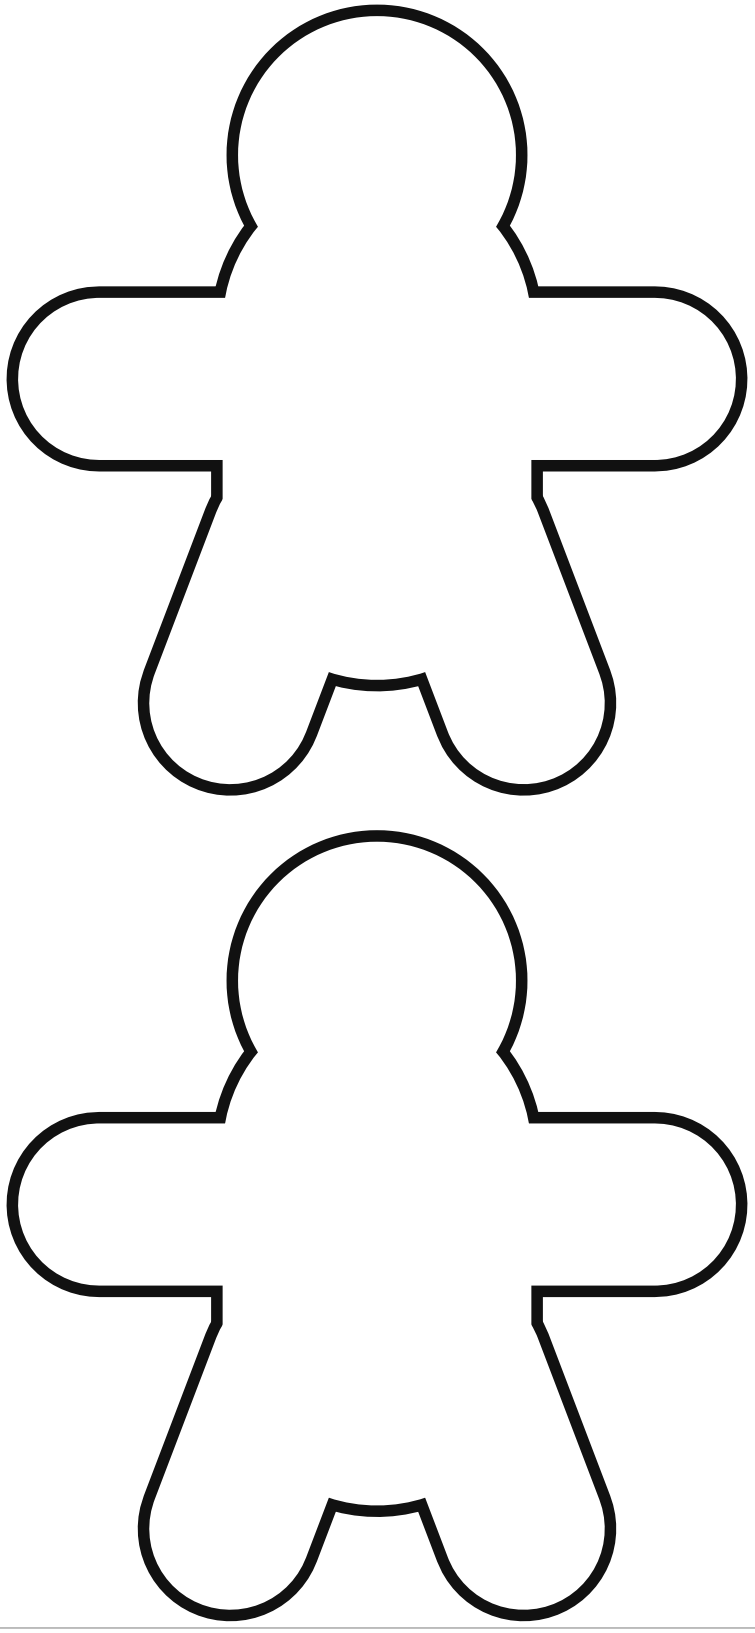
Easy Gingerbread Man Template for Preschool

Two chunky 4 inch gingerbread men with no thin neck or wrists and an extra thick cutting line, drawn for children who are just learning to use scissors.

Each outline 4 in tall, cutting line 0.06 in at Actual Size · Paper: US Letter · Print at Actual Size or 100%, not Fit to Page



Solid line: cut here. Cut just outside the line on paper, and on the line when tracing dough.

1 inch. Measure this bar. If it is not 1 inch, reprint at Actual Size.
