Finished Hanukkah house

About 5 in deep, 4 in wide at the gables, about 4 1/2 in tall with the roof on.

The side walls sit between the gables. Nine pretzel sticks are the candles: eight about 1.2 in and the shamash about 1.7 in.

About 89 square inches of dough: one batch, rolled 1/4 inch thick, with room to spare.

Use a board at least 12 x 9 in so the house, the menorah and the dreidels all fit.
