Guide key

- Red dashes: icing guides only
- Dotted circles: eyes, noses, cheeks
- Oval round the eyes: the pale face
- Small slanted ovals: eye stripes
- Curves on the belly: folded arms
- Branch: the line along the grain
- Candy cane: the red stripes
- Santa hat: the brim and the pom
- Mama sloth: the baby face oval

1 inch test bar

Cut the bodies and branches first and the claws, the cane hook and the pom last, then freeze before baking. The branch is part of the cookie: never cut it free.

Roll the dough 1/4 inch thick. Cut round the paper with a small paring knife held straight up.

Generic sloths drawn for home baking: no characters, brand names, logos or lettering.
