How to read this page

Black line: cut with a paring knife or trace it onto parchment as your pattern.

Red dashes: the flood map. Each loop is one icing color, flooded one color at a time.

The outer red loop is where icing stops: leave a thin rim of bare dough all around.

Eye outlines, brow lines and flecks are piped on top the next day, once the flood has set.

Freeze cut shapes 30 minutes, then bake.

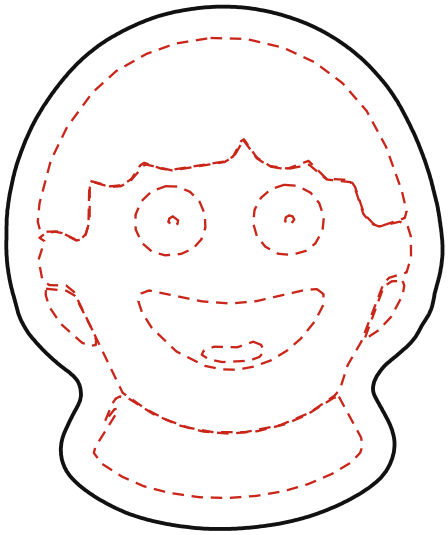

No logos and no lettering on any cookie.
