Cinnamon Roll Cookie Template: 3 Shapes

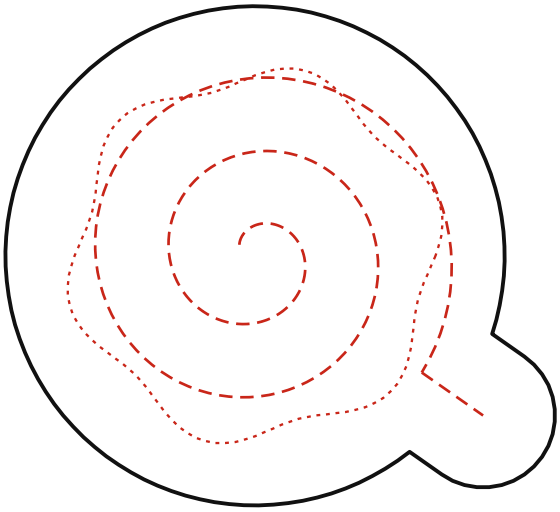

Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.

Round roll, 3 in, top view

Pan roll, 2 3/4 in, soft square

Unrolling roll, 3 in with its tail

Guide key

- Red dashes: the cinnamon swirl, never cut
- Red dots: where the icing cap ends, with soft drips
- Round roll: the classic, the sticky bun and the pearl sugar bun
- Pan roll: the cream cheese roll and the Christmas roll
- Unrolling roll: the kawaii roll and the speckled roll, swirl runs onto the tail

1 inch test bar

Roll the dough 1/4 inch thick. A 3 inch round cutter does the same job as the paper for the round roll.

Generic cinnamon rolls drawn for home baking: no bakery names, logos or lettering. Lay the paper on the dough and cut round it.
