Fox Cookie Template: 7 Shapes, 7 Designs

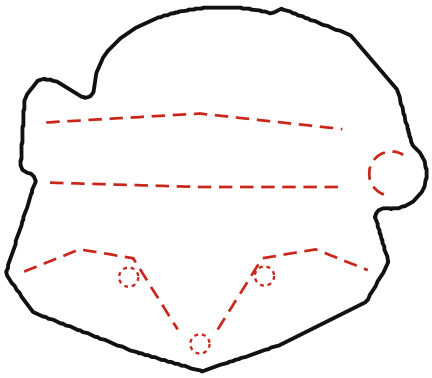

Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.

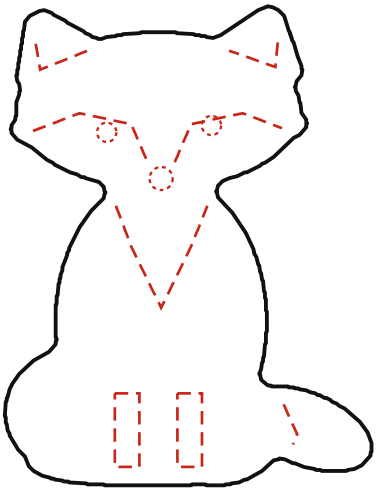

Fox face

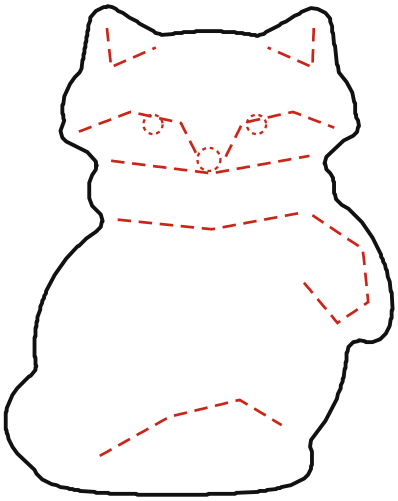

Fennec fox

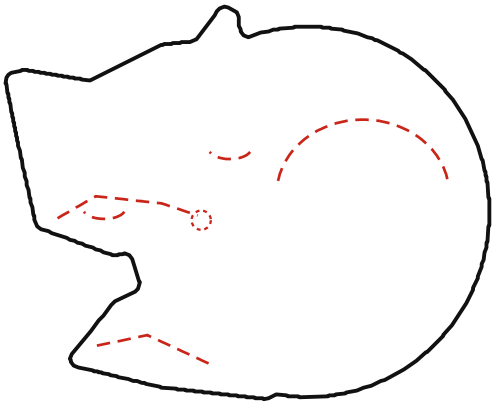

Santa hat fox

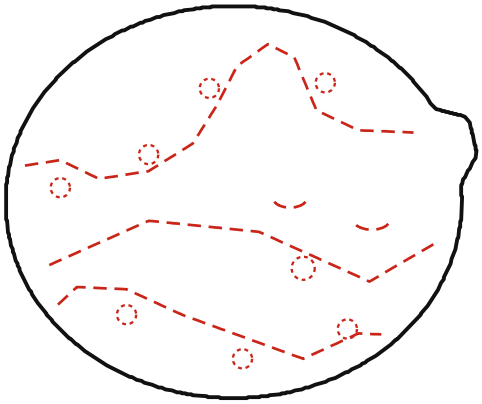

Sitting fox

Scarf fox

Curled fox

Arctic fox

Guide key

- Red dashes are icing guides, never cut lines
- Dotted circles: eyes, noses, the pom and light bulbs
- Faces: where the white cheeks meet the orange
- Ears: the inner ear, piped dark or pink
- Santa hat fox: the white brim and the pom
- Sitting fox: chest bib, paw socks, white tail tip
- Scarf fox: scarf band, hanging end, white tail tip
- Curled fox: closed eyes, white tail tip, tail curl
- Arctic fox: two wavy light wires and closed eyes

1 inch test bar

Cut the ear tips, the pom and the tail tips last, then freeze the shapes before baking.

Roll the dough 1/4 inch thick. Cut round the paper with a small paring knife held straight up.

Generic foxes drawn for home baking: no character names, brand names, logos or lettering.
