Futurama Inspired Character and Ship Cookie Template

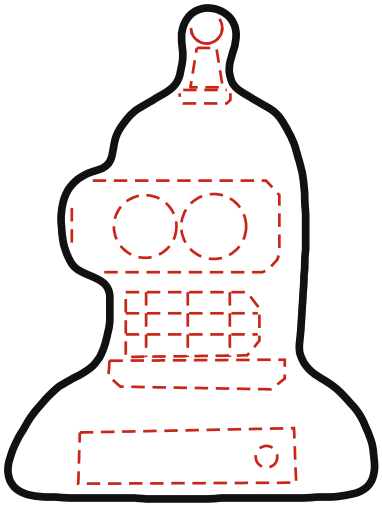

Seven side-angle heads and one ship, one page. Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Solid black line: cut with a paring knife. Red dashes: piping guides, do not cut them. Freeze the cut shapes 30 minutes before baking. Flood the skin or hull first, then hair and clothes, then pipe the features.

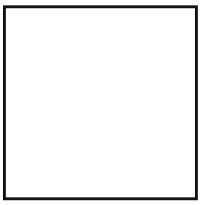

Fry, 2 1/2 in tall

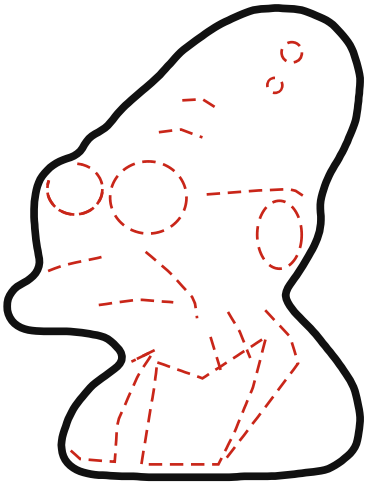

Leela, 2 1/2 in tall

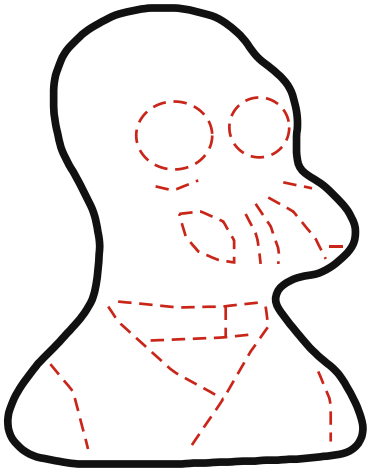

Bender, 2 1/2 in tall

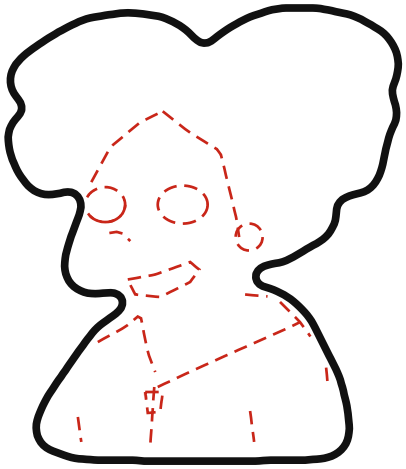

1 in square

Professor, 2 1/2 in tall

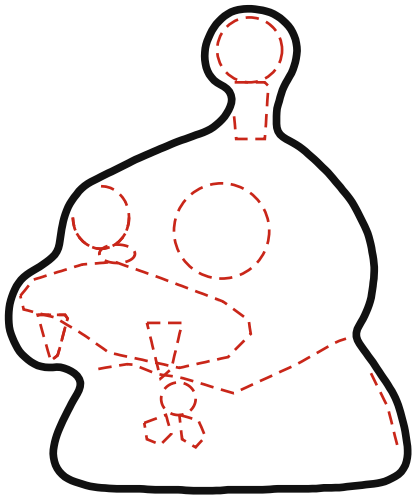

Zoidberg, 2 3/8 in tall

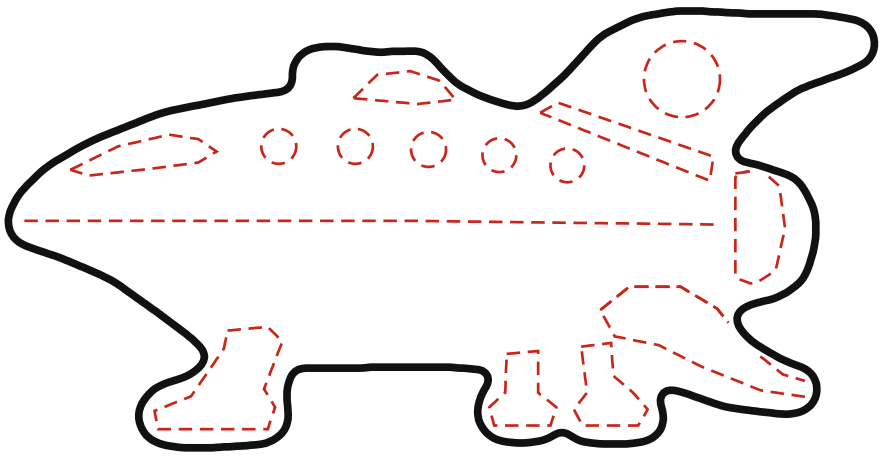

Amy, 2 3/8 in tall

1 inch test bar

Nibbler, 2 1/2 in tall

Planet Express ship, 4 1/2 in long

Guides: hair lines, eyes, mouths, Bender visor and grille, Professor goggles, Zoidberg tentacles, Nibbler stalk eye, ship stripe, portholes and legs.

Original fan-made shapes for home baking. Not affiliated with Futurama, its creators, Fox, Hulu or Disney. bestgingerbreadhouses.com
