Gingerbread Igloo Template: page 1 of 4

10 pieces over 4 pages. Measure your bowl, then check the red bar before you cut.

What is on each page

Page 1	Cap, tunnel roof, 2 tunnel side walls
Page 2	Gore 1 with the doorway, gore 2
Page 3	Gore 3, gore 4 with the optional ice window
Page 4	Gores 5 and 6

Finished igloo

About 8.5 in across and 4.25 in tall, 11 in front to back with the tunnel.

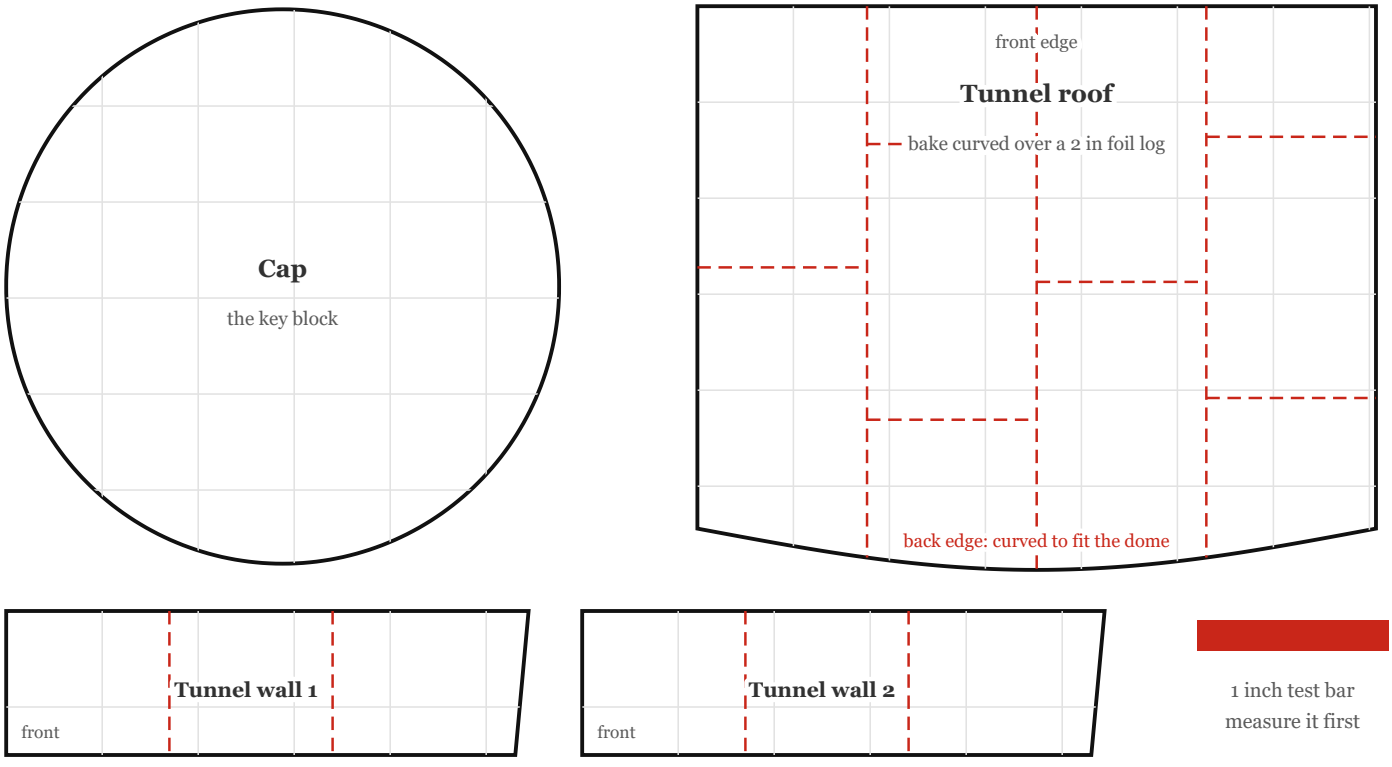

Doorway 2 in wide and 1.75 in tall. Board at least 12 x 14 in.

The dome bakes in one piece on the outside of a foil-covered bowl.

Your bowl: measure across the rim, then print at

6.5 in bowl: 82% | 7 in bowl: 88% | 7.5 in bowl: 94% | **8 in bowl: 100%**

Use a glass or metal bowl about half as deep as it is wide. Trim the gores flush with the rim if your bowl is shallower.

Tunnel walls stand on the board 2 in apart. The roof strip rests on top of them.

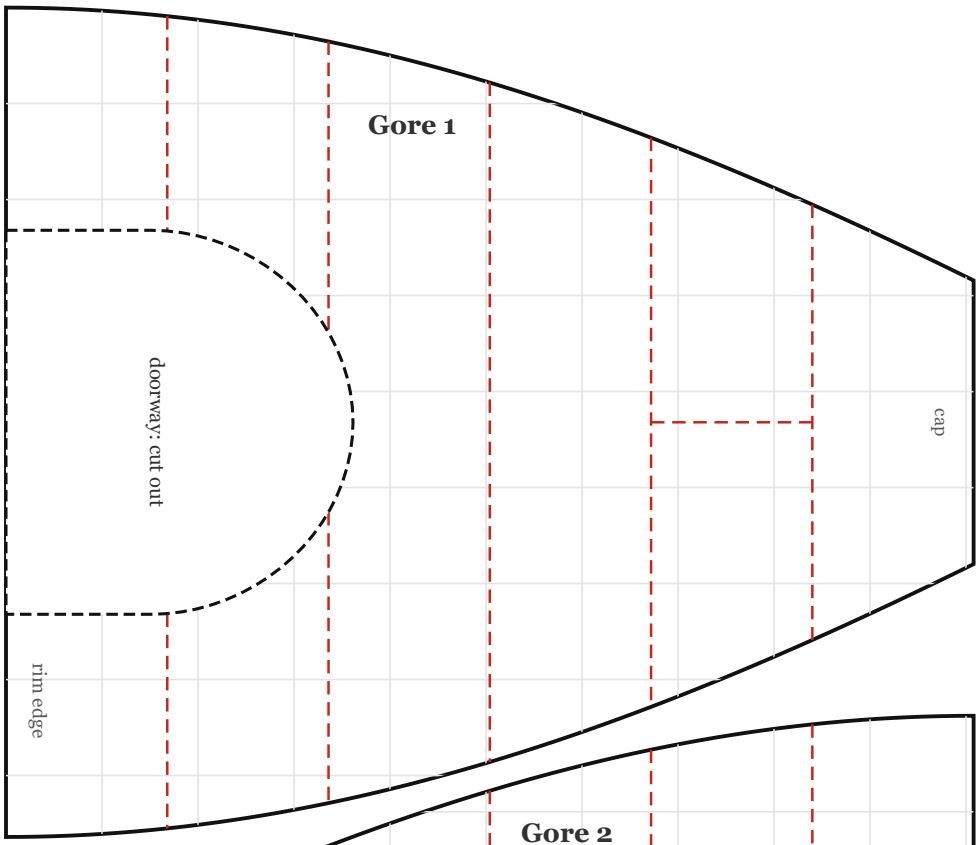

Solid line: cut. Dashed black outline: cut out and leave open. Blue circle: optional candy ice window.

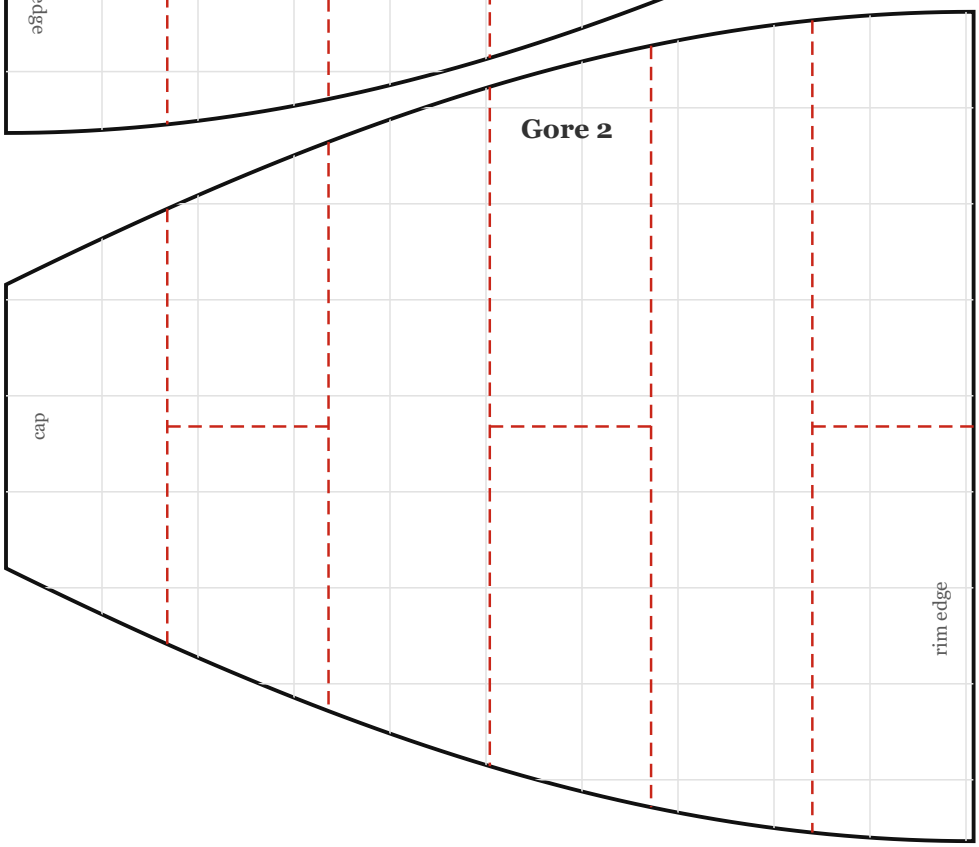

Red dashes: score lightly into the raw dough on the bowl, never cut through. They bake into ice block lines.

Print at Actual Size or 100 percent, never Fit to Page (other bowl sizes: see page 1). bestgingerbreadhouses.com

Gingerbread Igloo Template: page 2 of 4

Gore 1 carries the doorway. Center it on the side of the bowl you want as the front.
