North Pole Cookie Template: 7 Shapes

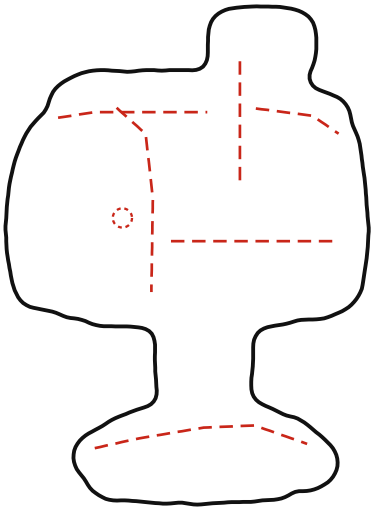

Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.

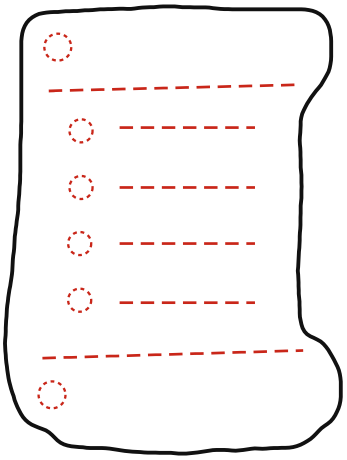

Striped North Pole

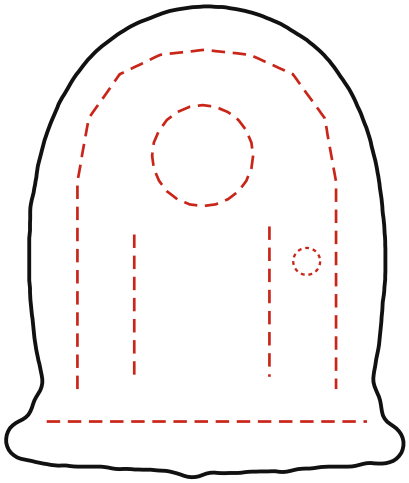

North Pole signpost

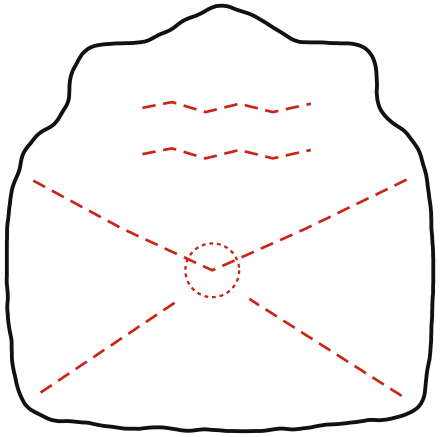

Santa's mailbox

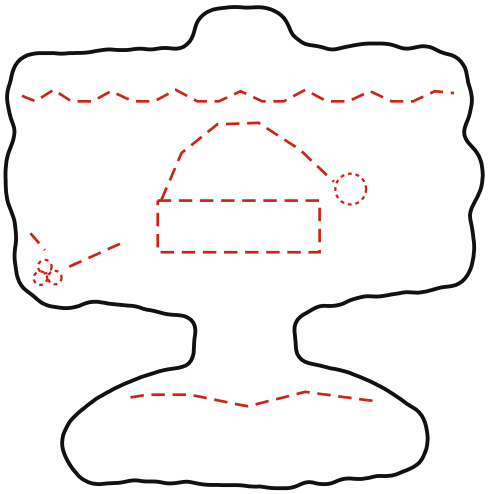

Nice list scroll

Elf door

Letter to Santa

Santa's workshop sign

Guide key

- Red dashes are icing guides, never cut lines
- Dotted circles: knob, seal, berries, boxes
- Pole: the collar, three stripes, the snow line
- Signpost: the lettering lines and the snow
- Workshop sign: the snow edge, hat and holly
- Mailbox: door seam, roof snow, flag and band
- Letter: the flap, the folds, the letter lines
- Elf door: frame, wreath, planks, doorstep
- Nice list: four name lines and the two rolls

1 inch test bar

Cut the bodies first and the arrow tips, the flag and the ball last, then freeze.

Lettering practice, optional: slide parchment over a word and trace it, or trace it with an edible marker onto the cookie.

NORTH POLE | SANTA | WORKSHOP | SANTA | Dear Santa | NICE

Roll the dough 1/4 inch thick. Cut round the paper with a small paring knife held straight up. Lettering is piped, never cut.
