Guide key

- Red dashes: icing guides, never cut lines
- Ribbon edges: pipe on them, flood between
- Knot circle and a line inside each bow loop
- Lid and box seams split the colors
- Kraft box: one twine line each way
- Dotted circle: the holly on the kraft box

1 inch test bar

No ribbon tails: they snap at 1/4 in thick

Roll the dough an even 1/4 inch thick. Cut round the paper with a small paring knife held straight up.

Cut the notches under each bow first and the round loops last. Every loop is more than 0.4 inch across.
