Ramen Cookie Template: 3 Bowl and Cup Shapes

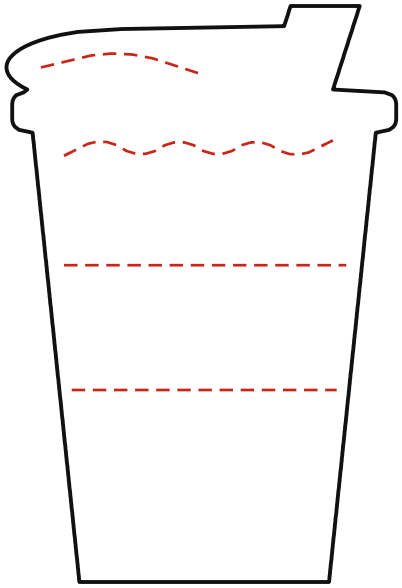

Print at Actual Size or 100 percent and measure the red bar: it must be exactly 1 inch. Cut on the solid lines.

Ramen bowl from above, 2 7/8 in across

Ramen bowl from the side, 2 7/8 in wide

Noodle cup, 3 in tall

Guide key

- Red dashes: icing guides, never cut
- Dotted circles: the egg yolk and the narutomaki, or the eyes on the side bowl
- Big ring on the bowl from above: the rim, broth inside it
- Oval, square and circle on it: the egg half, the nori sheet and the chashu slice
- Curved line on the side bowl: the rim, broth above and bowl below
- Two lines on the noodle cup: the color band; wavy line: noodles at the rim

1 inch test bar

Roll the dough 1/4 inch thick. Cut with a small sharp knife held straight up, and cut the chopsticks and fork last.

Generic ramen bowls and a plain noodle cup drawn for home baking: no brand names, characters or lettering.
