Guide key

- Red dashes are icing guides, never cut lines
- Dotted circles: cheeks, nostrils and holly berries
- Slanted lines on the horn: the spiral
- Long dashed curve: where the mane meets the head
- Small arcs: closed eyes and muzzles; ovals: inner ears
- Santa hat: the white brim lines and the pom
- Holly mane: the two holly leaves by the ear
- Sleepy unicorn: the mane and the tail lines

Cut the heads first and the horn tips, ears and the pom last, then freeze before baking.
